**OTHER RELEVANT
EXPERIENCE:** I have spent a lot of time the last two years working in the Bistro, Bryggan, clubnights, gasques and rentals. I have also during shorter periods been working in the restaurant industry outside the nation.

MY BIGGEST STRENGTH: I'm good at organizing

MY BIGGEST WEAKNESS: I have a tendency to be a perfectionist

WHY I HAVE CHOSEN TO RUN FOR THIS POSITION:

Welcoming new people to the nation is one of my favorite things to do and as a Waiting Master you get great opportunities to influence the atmosphere and how the restaurant is formed.

SOMETHING I WOULD LIKE TO ACHIEVE WITH MY OFFICE IF ELECTED:

To spend every day at my favorite place would be fantastic. Although, I know that many late nights cleaning after a club and to be your friends' boss can be tough. That is why I would like to, if elected, put some extra focus on the well-being of my colleagues and myself. I believe that is the key to a well functioning restaurant. Besides that, I believe in a near and confidently collaboration containing a lot of feedback. A well-being team that have fun while working makes the nation attractive for new curious characters that come here. Joy does also create energy that one can use for improving and developing the activity even more. Something I would like to do practically is to restore the laundry room and the wardrobe.
