Before You Move Out – A Checklist for Tenants at Snerikes Housing

Moving out soon? Here are a few things you need to take care of before leaving your room or apartment. If everything is properly cleaned and left in good condition, you can avoid unnecessary charges after moving out.

Clean Your Room or Apartment Thoroughly

- Vacuum and wipe down all floors, walls, and skirting boards.
- Wipe radiators, door frames, and doors.
- Empty and clean wardrobes and closets, both inside and out.

Don't Forget the Windows

- All windows must be opened/separated and cleaned on all sides.
- Also, clean window frames and other wooden surfaces.
- Instructions are available on the Snerikes website.

Bathroom

- Clean the toilet, sink, bathroom cabinet, walls, and floor.
- Remove any limescale deposits.
- Clean the floor drain and the ventilation vent.

Kitchen

- Clean cupboards, refrigerator, freezer, and stove/oven, both inside and out.
- Remember to clean behind appliances where possible.
- Remove all food, kitchen equipment, and other personal belongings.

Shared Areas

If you share a kitchen, hallway, or corridor with others, you are jointly responsible for ensuring that these areas are clean and in good condition when you move out.

Storage Unit

- Empty the storage unit completely.
- Sweep the floor.
- Remove any personal padlock.

Book an Inspection

Book an inspection appointment well in advance. This allows any issues to be identified and resolved before it is too late. To schedule an inspection, contact:

- **Caretaker Anders**: 018-751 24 14 (**Nationskvarteret**)
- **Caretaker Ulf**: 018-751 24 15 (**Triangeln**)

Return Your Keys

All keys must be returned to the housing office no later than **12:00 noon on the move-out date**. If the office is closed, you may place the keys in the mailbox in a clearly labelled envelope. You will be charged for any keys that are not returned.

Important Information

If the Cleaning Is Not Approved

When you return your keys, we assume that the accommodation has been properly cleaned and that any damage has been reported.

If the inspection shows that the cleaning does not meet the required standard, a professional cleaning company may be hired, and the cost will be charged to you.

Shared Responsibility

If you live in a room and share common areas with others, all residents are jointly responsible for those areas.

If something is damaged or insufficiently cleaned and no individual responsible person can be identified, the cost may be divided among all residents.

Need to Use a Car?

If you require a temporary parking permit in connection with your move-out, it is important to contact the housing office well before your moving day.

You will then receive a temporary parking permit allowing you to park near the entrance while loading your belongings.

Questions?

If you are unsure about anything before moving out, please contact us as early as possible. This reduces the risk of misunderstandings and unexpected costs after you have moved out.

Kind Regards,
Snerikes Housing
