## Nation scholarships autumn semester 2024

---

### General information

**Application period: 7 November - 25 November**

Unless stated otherwise, the sums of money connected to the respective scholarships are granted per semester. If you wish to continue to receive the respective grants, you must apply for prolongation ("bevakning") at the start of every semester. The respective sums are preliminary and may be subject to revision as a consequence of changes to the underlying funds. The translated statutes below are not original, but merely summaries. The Scholarship Board makes decisions based on the original statutes. Please also note that errors may occur in this document.

Some scholarships are only open to applications for members of VfN - Vännerna från Nyköping. That association is currently dormant and would need to be revived in order to resume accepting new members and in order to reward members with its respective scholarships. If you are interested in engaging in VfN, feel free to contact [1q@snerikes.se](mailto:1q@snerikes.se).

If you have any questions, please feel free to contact the Secretary of Scholarships at [stip@snerikes.se](mailto:stip@snerikes.se).

Applications forms can be found at [snerikes.se](http://snerikes.se) under the header "Nationen" and "Stipendier". Read the form carefully and make sure that your application is correct.

The Scholarship board is set to convene in early December to look into the applications.
